It is carrying out regular sensitization workshop for heads of base communities, members of the three branches of government (legislative, executive and judicial), Security members focus on gender and violence against women. Insue that domits exampthing a lat still needs to be done therefore reaffirms 

It has initiated awareness raising activities in schools aimed at children on violence with editing

its commitment to eliminate all forms of violence against women and girls and endorses the resolutions adopted by this Assembly.

Thank you very much.
