

HOUSE OF VIOLENCE

Ending the cycle of domestic violence
against women and girls

Often, women and girls are most in danger where they should
be the safest: inside their homes and with their families.

March 4th, 2013 from 6:30 - 8PM

CORE: club 66
66 East 55th Street
(btwn Park and Madison Ave.)

Norway and Half the Sky Movement invite
you to a panel discussion on effective
prevention methods and a conversation
on the next steps in the movement to end
domestic violence.

Please join us for cocktails and conversation
in the library after the event.
